

THE THEA AWARDS

2014 Thea Classic Award

This award is given annually to a project which has continuously engaged and entertained for over 25 years. The Thea Classic award recognizes achievements which have, by their quality of experience and longevity, helped to establish the highest standards of excellence in our profession.

Nominating a project for a Thea award is a two step process. This form is Step One. Upon submittal of this form, you will receive an email confirmation of submittal, and instructions for Step Two, where you will be asked to submit additional supporting materials to help us evaluate your nomination.

Supporting materials usually include video or still images and other media that describe the project and will help the Awards Nominating Committee to fully understand the project. (Refer to “[Tips for Submittals](#)” for hints on preparing those materials). The quality of the supporting materials you provide in Step Two will be very important to insure that your project receives full consideration for an award.

You do not need to be directly associated with the project, nor do you need to be a member of the TEA to submit a nomination for a Thea award.

QUESTIONS? For further information, or details on how to submit a nomination by hard copy, please email gene@teaconnect.org or call 818-843-8497.
